SUMMARY

A passionate frontend developer with a strong foundation in HTML, CSS, JavaScript, React, and modern technologies like MongoDB, Node.js, and Tailwind CSS. Transitioning from a 5-year career as a Senior Process Analyst, I bring a unique attention to detail, analytical mindset, and user-focused approach to create seamless, intuitive web applications. With experience in building self-driven projects, I'm eager to contribute to a dynamic team that values quality code and user experience.

TECHNICAL SKILLS

- **Frontend Development:** HTML, CSS, JavaScript, React, Tailwind CSS
- **Backend Development:** Node.js, MongoDB
- **Tools & Technologies:** Vercel, Render, Netlify
- **Version Control:** Git & GitHub

PROJECTS

Crypto Price Tracking Website
Link: https://crypto-place-ten.vercel.app/
Technologies: React, HTML, CSS, JavaScript, Vercel
- Developed a crypto price tracking site with real-time data fetching using APIs.
- Created responsive and interactive charts for a user-friendly experience

YouTube Frontend Clone
Link: https://videofusion.netlify.app/
Technologies: React, HTML, CSS, JavaScript, Netlify
- Recreated YouTube's frontend to showcase skills in UI/UX design and API integration.
- Deployed the project using Netlify to demonstrate ability in deployment.

Food Ordering Website
Link: https://foodify-frontend-yo6w.onrender.com/
Technologies: React js, Node.js, MongoDB, Express
- Built a fully responsive food ordering website where users can browse food items, add them to the cart, delete items, and place orders.
- Implemented dynamic rendering for real-time updates to the cart and order tracking.
- Integrated a backend to handle data storage and management of user orders.

PROFESSIONAL EXPERIENCE

Senior Quality Analyst – Hexaware Technologies,   2019 – Present

- Led coaching and counseling sessions for teams to improve process adherence and customer satisfaction.
- Provided detailed audit feedback and recommendations for improving operational efficiency.
- Collaborated with various departments to ensure process calibration and improvement.
- Played a key role in cross-department collaborations, identifying gaps, and delivering actionable insights to improve overall performance.

EDUCATION

MSc IT
SK Somaiya College of Science & Technology, 2017

BSc IT
Pune Vidyarthi Griha's College of Science & Technology, 2015
